

## 2025 October 2

### Baxters Loch Ness Marathon and 10k .

What a beautiful day was had in perfect conditions for the marathon and the 10k. We had a great turnout from the club with fantastic performances and Pbs and three club members making Platinum performances. Max Abernethy come third overall in the 10k after taking a tumble on the start line.

Robbie Youngson took first in his age category, with Lisa Allan and Carol Massie coming 3rd in there respective categories.

Karen Robertson and Stephen Hadden took on their first marathon attempt and I'm sure it won't be their last. With Richard returning to Loch Ness and forgetting how many hills there was

To round it off, Calum Crighton accompanied his niece around.
