

FRC SUMMER RACE NIGHT #10 12/08/26

Cloudy, 23°C, feels like 20, Humidity 68%, Wind 14.5 mi/h from South.

On a warm night 16 people turned up to tackle the tough 5.1 mile summer route. It was maybe a bit warm but whatever the conditions we all find a reason to moan!

Sadly Charlie wasn't feeling great and turned at Bairds while Grant decided on a DNF for other reasons!

Samantha Buchan was chauffeured round by Peter Hall (true gent) in her 1st attempt. Hopefully see you in the last 2 so you're counting as we start the winter series!

Only myself (by default), Sam, Morag & Elliot bettered their handicap times with Keith Buchan only 1s outside it!

Gregsie was set off a bit previous by Dru & Jamie. Wind must've blown some dust into their eyes, that or they found a brown envelope in their back pocket!

So as it goes the fastest Peterheider was also fastest Brocher tonight with Morag breathing down his neck to the line but wouldn't've been beaten to the ribbon otherwise. Mo is in a rich vein of form right now; next in was Elliot, Keith, Wilson, Jim, Lynne Marie Masson, Alison West, Raymond Clark & due to the scandal Shaun found himself gaining a point! As it was no fault of his own Gregsie got 10 pts along with Morag as she would've otherwise have won!

Nothing really changes in the Age Graded league as both Mrs Platinum Lisa and Robbie were absent tonight.

Martin has already placed in 7 races so surely decided he could afford to take a night off - quite right too! It remains tight at the top going into the last 2 races so it's all to play for. Lynne Marie goes top with 39 points with Martin still on 38 pts. Grant and Wilson share third on 33pts each and a large pack close behind.

Race 11 takes place on Wednesday 26 August so lets see a good turnout to make the final race even more interesting.
