

FRC Summer Race Night #11 — 27/08/26

Partly cloudy, 18°C. Feels like 15°C. Humidity 80%. Wind 10.7 mph from ESE.

On a night where 20 names were down (inclusive of Peter Hall & Lisa who were on timekeeping duties), dinky do 22 turned up of which one more than the other Abernethy (David) felt the wrath of Alison (after romping home across the line 1st all because he's a bit shy using the TeamReach app!

After going AWOL pre-penultimate race Martin Watt returned to try wrestle back top spot from Lynne-Marie, who has been very consistent in her 7 previous races with 39s across the board & one just under. Martin in his 8 races has been steady 32-33 mins, less one blip race 6 dipping to 35 mins... many of us would kill (not literally) for that time!

Big hitter Grant Dewar was missing (I think offshore) but in his 4 scoring races he bagged at a 10, 7 & 2, 8s which had him sitting 3rd in the league. Wilson also on the same points has been scoring well of late too but picked up a wee hamstring strain tonight but finished all the same....hopefully fit for a fast mile on Saturday!

Samantha Buchan must've decided it wasn't too bad and returned for her second go and in the process pb'd by 82 seconds, lots still to come for sure.

So as aforementioned, David the tech shy farmer took his 2nd 10 points of the season, Sam was 2nd....(but nae)40:16, 3rd, likely winner Lynne-Marie Mason 38:13, 4th, Gregsie 39:28
5th, Elliot 33:51, 6th Keith 31:25, 7th Raymond 30:35, 8th Alison 42:13, 9th Alistair 42:50, 10th Shaun 34:45, and 11th Scott 38:32 sneaking a point because Sam is not yet counting.

This leaves Lynne-Marie Mason further strengthen her lead at the top on 48 points, leaving Martin requiring a major miracle to take the crown fae her grasp on 38 points, 3rd is Alison on 35, 5 runners (including me) are on 33 meaning it'll be an interesting final day battle for the final step on the podium.

All points won on the final night will be their own as no one in the top 12 at least have scored in 8 races yet. This is likely to be a better write up than the finale itself, so I hope you all enjoy the extended edition!

All the best, fave the fastest Peterneeder above average Gregsie.
